Subject: Extension Request for Responding to the Deficiencies for Legal, Financial, PacifiCorp, Des-Bee-Dove Mine, ACT/015/017-LF00B, Outgoing File, Emery County, Utah

PacifiCorp, by and through its wholly-owned subsidiary, Energy West Mining Company ("Energy West") as mine operator, hereby submits a request to respond to the deficiencies of the above referenced amendment. The deficiency response was due by July 15, 2000.

Energy West has petitioned documentation, as required by the deficiencies, from the Bureau of Land Management (BLM) and United States Forest Service (USFS). To this date, the documents have not been received in our office. Therefore, a 30 day extension, or until August 15, 2000, is being sought.

If you have any questions or concerns regarding this request, please contact Dennis Oakley at (435) 687-4825 or myself at (435) 687-4720.

Sincerely,

Chuck Semborski

Geology/Permitting Supervisor
